We are related to this treaty to collectively :

1. Support, keep and assist all parties to make transaction. The guarantee is bar gold saving market SUISSSESSES, made in ~~Swiss~~ adapted to the existing certificate (has been published).

2. That the whole guarantee is kept in Swiss since the receipt and certificates were issued.

3. That the guarantee is also supported and completed by several documents as follows:

- Receipt
- Shipment application
- Ballon card
- Master key
- Master document
- Guarantee metal per certificate
- Official issued blank of name changing

Also, the letter of attorney has been published by Mr. Soekarno for the following persons:

1. Soewarno, whose code is Satya Darma
2. Chaerul Fathollah, whose code is Suring Pati
3. Sarinah, whose code is Lady of Roses
- The president as a proof of relation to US concerning this ownership

In this paper, we know that this asset/guarantee ownership, based on the certificates issued by UBS (Union Bank of Switzerland), is private ownership.

Furthermore, we agree that, if a political chaos takes place, resulting in lost ownership receipt that has been issued by UBS (Union Bank of Switzerland), then we approve this Treaty Receipt for a bulletin as legal substitute.

In this case, the concerned bank can may not break it. And, if it is necessary to change ownership name of the ownership receipt, then this legal treaty, the ownership is illegal and improper according to the current law.

We, who signed this treaty, agree to name

### "GREEN HILTON MEMORIAL BUILDING GENEVA"

All parties, who are related to this treaty, have agreed to collectively assist, if this ownership is sold.

This is the treaty that we made and signed as a substitute if the whole ownership receipt, which was issued by UBS is lost.

Then, in this collective agreement between names written in this treaty on 14<sup>th</sup> November, 1963, in Geneva: each of us signed it.
