Notice: Agreements

Pay special attention to the above agreement in **RED INK** should you wish to communicate with myself the living breathing flesh and blood sovereign Man with a living soul that is capable of processing knowledge. Therefore failure to agree with this agreements will constitute the above in red ink LEGAL ACCORD. These are the terms for communication/correspondences.
By replying you absolutely agree with this agreement.

This is a common law courtesy and is given in good faith and as a courtesy to all of you as individuals in an attempt to bring matters to a lawful, speedy resolution. A reasonable gesture, considering the unequivocal and un-rebutted facts which have been agreed by all named herein. Therefore my reasonable demands of two million GBP (£2,000,000.00) for unlawful tax is the only and final offer, should you wish to take this offer that is on the table for three (3) days only and payment must be sent within those three (3) days.

Especially when fiat currency is worthless a promise to pay an IOU. That will satisfy all matters including the recent issues and the second affidavit of obligation commercial lien being all cancelled with immediate effect of the clearance of any payment received.

Failure to take this remedy and effect the cure will constitute the default within the Affidavit of Obligation Commercial Lien (Our Ref: SK-16072018-BDC-NOI) and the value of the lien then will become Three Million GBP (£3,000,000.00) **per individual named herein** and the Default Certificate will be recorded in the County Court, recorded on the Common Law Court website, The UK-Column and the UCC website as a Security for Thirty Three Million GBP (£33,000,000.00) and advertised publicly.

This does **not** include the bills you have been served with to the value over Fifty Nine Million GBR (£59,010,000.00) for illegal fiction name fraud and copyright and trademark infringements. This is also the first of now two (2) Affidavit of Obligation Commercial Lien that have been served on you as individuals, therefore do not get the two (2) mixed up. Also further bills relating to the second affidavit of obligation commercial lien have been served. This is also a estoppel which is irrevocable and in immediate effect including any/all of your agents/interlopers.

- Bill one value Five Million GBP
- Bill two value Six Million GBP
- Bill three value Five Million GBP
- Bill four value One Million GBP
- Bill five value Forty Two Million GBP
- Bill six value Ten Thousand GBP

One thing to remember in all of this who was it persisted and persisted even when given absolute evidence of my claims that I the living man is/are not liable to pay any corporation tax ie council tax or any tax as it is by consent and voluntary. You were told many times and carried on like a child continuing to address myself as a legal fiction name and encourage me to commit fraud on your behalf for your greedy benefits. Take the cure or don't I am more than willing to continue in the process as it is in all your individual private and personal capacity should the cure not be used this time. You have been given plenty of time to rebut my allegations.
