COUNT 1

STATEMENT OF OFFENCES

1. 'We The Sovereign People' from across the 'United Kingdom' issue the following 'Indictments and Charges' for 'Crimes Against Humanity', against the named above 'public servant's outrageously abusing 'Our' 'public offices' and 'judiciary', whilst being 'paid' out of 'We The Peoples' collected 'Taxes' & 'public Funds' to carry out a 'sworn honest public duty'. These duties have been recklessly violated while they were *supposed* to be 'scrupulously observed and lawfully upheld' to ensure the 'fair and just' administration of justice and protection of our unalienable rights as the majority mass British populace, in accordance with the Rules of International and Constitutional English Law.'

INDICTMENT

COUNT 1

PARTICULARS OF OFFENCES

2. For decades, The United Kingdom have been operating corrupt Courts for We the People, whilst being fully aware that entire British Justice system within the United Kingdom has been compromised by criminals. For decades they have been guilty of 'covering up' the most horrific, heinous 'Crimes Against Humanity with no accountability.' Those abusing 'Our' Public Offices have willfully engaged in 'violent obstructions to justice' and 'perverting the course of justice' in efforts to block serious investigations, arrests and prosecutions to protect guilty fellow freemasons, guilty gang mobsters and those guilty and liable after performing a public duty or service criminally or negligently. There is a persistent pattern of the state protecting guilty white collar criminals, terrorists and mobsters particularly in cases where innocent members of the public have been murdered.
3. The gross extent of judicial criminal abuse has been fully documented in the bombshell Police Reports called '**Operation Tiberious**', '**Project Riverside**' and '**The Farrell Report**' www.thefarrellreport.net The entire UK judicial system has been operating unlawful courts that have not been operating in accordance with Rule of English Law in any shape or form. UK corruption is entrenched to such an extent, that the system of Justice is heavily weighted and stacked up unfairly against victims, and only now serves to criminally deprive, deny and obstruct UK victims from ever attaining justice, in favour of aiding and abetting criminals, protecting and upholding lawlessness, and facilitating law breaking for the worlds most deadly and dangerous criminals and psychopaths at the extreme detriment of the masses. As has been eloquently stated in the oral declaration and testimony provided by long standing UK victim Chairman Caul Grant of Campaign for Truth and Justice '**No Law Breaker can be a Law Enforcer**'.
4. It does not take analysis of the various 63 Articles/Clauses enshrined within the Magna Carta 1215 or producing a bunch of case precedents and authorities to see crystal clearly that something is gravely wrong in the UK and that the entire system every is failing the people not by mistake but deliberately. No country can be operating a judicial system that seeks only to perpetually systematically, violently and most criminally persecute and abuse victims and law abiding people. We see case after case of corrupt Judges routinely dishing out unjust, untrue and unfair pre fixed fraudulent pre determined Judgments, in favour of protecting dangerously sick murdering psychopathic Satanic people or for lying, thieving, looting greedy Banksters. The UK judiciary is knowingly guilty of abusing innocent victims so must face trial for Treason..

INDICTMENT CONTINUED

5. Even after 800 years of the signing in 1215 of the Magna Carta THE GREAT CHARTA, we are still no closer to obtaining justice in the UK than we were back then. It is standard and common place in the UK to find Innocent law abiding people being openly violently robbed, tortured and grossly abused Nazi style, not by muggers on the street, but by those abusing our public offices. These crimes have gone on without intervention at a truly alarming scale right up and down the Country. Victims efforts to seek justice, more often than not are brutally obstructed, some are even murdered just for requesting, 'due process of the law,' relief, remedy and resolution. As shocking as that may sound, this is the true dire state of affairs going on rife within the UK.

COUNT 2 STATEMENT OF OFFENCES

6. Corruption in The United Kingdom has now reached a critical crisis state of emergency, because every last one of 'Our' Public Offices has been infiltrated by either 'Organized Crime Cartel Gang Mobsters', Thieves, liars, or by psychopaths who are part of a some evil Satanic ring. We now have serial killer terrorist's ordering the torture and assassinations of defenseless innocent people then openly bragging about their crimes within mainstream media publications. This is no exaggeration its fact.
7. Needless to say, every last one of these out of their mind maniacs, *must be* arrested and permanently removed from further harms way. We The Sovereign People serve our Indictments to remove every last one of them.
8. We cannot get honest transparent conduct from *any* of 'our' Public Offices in the UK because it is totally non existent. Every last person you encounter is incapable of telling the truth, incapable of empathy for others suffering, incapable of morality and incapable of genuine consideration or respect for the rest of humanity. You don't have to be particularly smart to clearly see, these are very sick people, who are hell bent on inflicting mass death and genocidal destruction upon the masses. So let us make it crystal clear, in simple plain English, in the interest of justice, we cannot have liars, criminal thug bully brutes and blood drinking vampires in 'our' a second longer period. They have simply have to go, no ifs, buts or 'skeleton arguments' about it.
9. We The Sovereign People have had more than enough of them and want them permanently out as quickly as possible. They have no defense or excuse whatsoever to ever be able to justify the evils they have done.

INDICTMENT CONTINUED

10. We The People have a right and duty under God and rule of Law to protect ourselves, our loved ones and those who cannot defend or protect themselves, particularly, the vulnerable adults and children who now being stolen, trafficked sold, tortured and enslaved across the UK. We demand that all the innocent people being unlawfully held captive under long abolished barbaric slavery programs be immediately released. Recent police reports this May/June 2015, stated that tens of thousands of children in the UK are being stolen trafficked, tortured and murdered in on unprecedented scale, not by maniacs on the street, but imposter MP's who pretend to be working inside *our* public offices. We believe that the police know exactly who are responsible, but have their hands tied and think they cannot do anything about it, but this is grossly wrong. They can and must as a matter of law. Not one criminal responsible has since been arrested and what is worse, the police have said there will not be any investigations or arrests for a further 8 years! This demonstrates the clear lawlessness going on within of *Our* UK public offices by self appointed criminal imposters, posing as our Public servants. We see the very same pattern consistent in all large corruption cases being covered up. There is never any intention to protect any of us as the public at all.
11. After 10- 11 years of already being proven guilty in the very same High-Court, the psychopathic criminal terrorist cartel behind the '**SevenGate**' crimes, from '**Seven Versus Gossage and Nine Others**, have also been given a free pass to continue inflicting hell upon We The People with impunity. Even after 65 police reports nothing has been investigated. We The People in the UK have no state, police or judicial protection whatsoever, and consequently now find ourselves in grave danger, if nothing is immediately done to arrest and remove these criminals.

COUNT 2

PARTICULARS OF OFFENCES

12. For decades The United Kingdom has gravely violated 'International and Constitutional English Law' MAGNA CARTA 1215, and also 'EVERY LAW' under 'GOD' to wage a secret covert war against us, everywhere we turn.
13. Those in our public offices are concealing unlawful profiteering and unjust enrichments from the 'Proceeds of Serious Organised Crime', 'Mass Property Thefts', 'International Racketeering', Bribery & Corruption and 'Out Of Control Lawlessness' whilst they are supposed to upholding the Law

PARTICULARS OF OFFENCES

- 15 We refer to the evidence exhibited within **‘We The Sovereign Peoples Of The United Kingdoms Indictment video** at www.ARISEALLSOVEREIGNS.net The following Met Police Reports 1) **Operation Tiberious**, 2) **Project Riverside** and 3) **The Farrell Report**. www.thefarrellreport.net We also hereby refer to the evidence within Case Seven Versus Gossage and Nine Others courtroom audios previously won by the UK victim ‘Seven’. This case is now known as ‘SEVENGATE’ please see the evidence put before the US Judge Alfred Webre at www.newsinsideout.com/sevengate
- 16 We also refer to evidence detailed inside The Guardian news feature released on 10th May 03 exposing the brutal theft of Patrick Cullinane, whereby 13 Corrupt High Court Judges conspired with Inland Revenue to steal his Property and Possessions without following Rule Of law or Due Process.
- 17 We also refer to evidence of live footage of the violent Nazi style Property Theft in the case of UK Property Owner Joseph Fergus exhibited on the We The peoples Indictment video www.ARISEALLSOVEREIGNS.net UK criminal Banksters have stolen 24 of the properties from Joseph Fergus’s portfolio and are now trying to chase him into bankruptcy.
- 18 We serve Indictments because Property Theft crimes both Intellectual and Bricks and Mortar Property are now rife and hard working families, who don’t owe anyone a penny are losing their paid for homes all across the country. The British judiciary are complicit deliberately denying, depriving and obstructing victims Rights to have access to protect themselves.

COUNT 4

STATEMENT OF OFFENCES

- 19 We The People of United Kingdom are being systematically horrifically targeted, gang Stalked, tortured, terrorized, persecuted in order to rob us of everything we have. We are being falsely accused, falsely smeared, falsely maligned, falsely framed, and defamed. We are being i=unlawfully monitored like lab rats on an industrial scale, via the perverse unlawful use of GCHQ. The vast fraudulently amassed revenue flooding into the UK is being generated from our collective stolen properties and exploited enslaved labour and we indict to get every last penny back.

COUNT 4

PARTICULARS OF OFFENCES

- 20 As is evidenced in We the peoples indictment video, The United Kingdom was found guilty of illegally spying on us on an unprecedented scale via 'GCHQ', however, spy programs such as 'Prism' and 'Upstream' are continuing to criminally, target, monitor and torture people on an industrial scale. In order to evade accountability, because they were found guilty, they are unlawfully quickly trying to remove We The peoples Human Rights from the UK. These programs are for the purposes of mass data theft and organized IP crime by phone and computer hacking, 'staging and faking of terrorism'
- 21 Despite being found guilty of gross violations of our Human Rights abusing GCHQ, the criminals refuse to stop and adhere to rule of law.

COUNT 5

STATEMENT OF OFFENCES

- 22 Like ALL other nations, the UNITED KINGDOM is also duty bound and sworn under oath and various treaties to provide ALL victims domicile within the United Kingdom with access to Natural Justice, a 'Fair Trial', and 'duly owed' 'Compensation' and Damages, particularly when victims have sustained extreme losses, damages and injuries for long periods of time. Whether it be directly physically themselves or indirectly or by way of losses, damages and injuries in property or estate. However, the United Kingdom is criminally even stealing our awards in compensation, for our years of losses, damages and injuries after winning our cases. Compensation from cases is either being unlawfully withheld or shared amongst those in the criminal network... These monies are funding diabolical terror and genocidal programs

COUNT 5

PARTICULARS OF OFFENCES

- 23 This is evidenced in the truly horrific case of UK concepts innovator named 'Seven'. Her case was previous named '**Seven Versus Gossage and Nine Others**' **HC0402565** but because of the monumental high level of corruption involved its now been called **SEVENGATE**. The sheer scale of the horror that has taken place to cover up stealing Sevens literary works over a 12 year period, and then wreak death and destruction to keep all her publishing and property rights is staggering.

INDICTMENT CONTINUED

- 24 'Although, Seven' won her case in these very same High Courts and had been awarded default Judgement since September 2004, she like countless other UK victims, has never been paid a single penny either or received justice for the truly evil crimes against her. She is owed '7 trillion' in damages for 12 years of racketeering with her works and some exceptionally wicked crimes .
- 25 Literally *everything* Seven has created for the last 12 years has been immediately stolen and put onto the market to prevent her ever capitalizing on her own labour. Even though she regularly changes her computers in efforts to shake off the IP crime cartel they still gain unlawful access. Shockingly to rob it in her face they even named a trade mark company Seven7 after her. The case is by far the most horrific Gangstalking case on public record.
- 26 The sordid '**SEVENGATE**' fiasco began after 'Seven's' stolen productions and literary works were successfully exploited by the Satanic crime ring in 126 countries. There is a very strong evil Satanic thread to the crimes in the case, particularly when you see the criminals have ritualistically traded her name and used it to commit atrocities. The satanic ritualistic element began with Seven's identity being stolen to create a Pop Band in 2004 and has escalated to naming staged false flag terrorist attacks named after her, such as 7/7 2005, the brutal public execution of the innocent Brazilian Jean- Charles, and more recently Charlie Hebdo (Charlie Hebdo actually means Charlie Seven).
- 27 Even with evidence from over 14 witnesses, not one single police officer has ever investigated Seven's case. The horrific crimes are well known to Britain's Met Police, Scotland Yard, even to South Yorkshire Police, but still no one has been arrested or charged. All requests for protection for the public have been refused. Virgin Media formally NTL, who are deeply involved in crimes with Seven's stolen works, preferred to pay off bent Met police officers in bribes to keep the truth hidden, rather than paying the rightful owner even after the courts had awarded her default Judgement against them. To call these people evil is an understatement.

INDICTMENT

CONTINUED

Seven's case's crime files have all been visibly doctored, Judge Pumfrey, Several TV executives, two of Seven's friends even Seven's parents have all died under suspicious circumstances, while British police have turned a blind eye.

COUNT 6

STATEMENT OF OFFENCES

28 The gross butchering of justice in the UK has been screamed about for decades. Millions have made Public Appeals, Millions have issued Public Complaints, Millions have signed Public Petitions and Millions have done Mass Public Protests, as evidenced by the Millions who protested against the Iraq War. And the result more often than not is that we are all totally ignored. On that occasion, as we all know it was in favour of murdering thousands if not Millions of innocent law abiding Iraqi people, on the basis of outrageously shameful lies with not a shred of remorse. People who could do this and still sleep at night are *not* people who should ever have access to running any government.

29 We have collectively made every reasonable attempt to stop the onslaught of criminal abuses and bring about Justice, Remedy and Resolution in the UK, but its clear they do want us to live in peace. Every attempt made to bring unlawfully protected Criminals to Justice, has fallen on deaf ears we are sick of it. Brutality and Terror are being routinely employed in efforts to bully beat us into submission, and accepting brutality and their gross criminal abuse as a way of life.

PARTICULARS OF OFFENCES

30 We refer to the evidence and exhibits in We The Peoples Indictment Video www.ARISEALLSOVEREIGNS.net and the evidence and exhibits contained within The Farrell Report. www.thefarrellreport.net by Whistleblower Tony Farrell Former Top UK Police Intelligence Analyst of 17 years

COUNT 7

STATEMENT OF OFFENCES

- 31 It is therefore abundantly clear that we do not have a legitimately Government and Judiciary elected by or representing 'We The People in The UK and under rule of law this is also High Treason. Evidence shows we only have a bunch of criminal 'usurpers' recklessly abusing 'The Peoples' Public Offices, who have no intention of ever stopping the rampant criminality any time soon. These crimes will continue if the criminals are not immediately Indicted arrested as charged and removed. As they are not likely to investigate or arrest themselves, the entire situation as it stands has placed the entire United Kingdom in a grave dire state of peril.
- 32 There is not one public institution in the UK legitimately representing or 'serving' the genuinely expressed interests, wishes, desires and demands of 'We The People' whatsoever in any shape or form. All we get is PR exercises and lip service for the camera. We have no protection whatsoever from those abusing our military. Each day we see the rise in evermore Satanic worship being promoted.
- 33 There is tons of evidence that proves without doubt, that these are self appointed unelected out and out criminals who obviously have usurped our public offices by criminality and out right fraud. They are totally unfit for purpose and therefore we issue indictments to enforce our powers under the rules of English Law to get every last one of them out as a matter of duty emergency and urgency. This is the 'only' sure way we can ensure public safety.

COUNT 7

PARTICULARS OF OFFENCES

32 Our Public Offices have been infiltrated by Satanists who have replaced 'Gods Divine Laws,' enshrined within Magna Carta with grossly evil forbidden Satanic Talmudic Laws. This is clearly evidenced by the rise in Paedophilia inside our Public offices and institutions, and the marked promotional rise of Satanism all over the UK. It is therefore in the interest of Justice and protection of multitudes of vulnerable children and adults being trafficked and abused by truly sick people on an industrial factory scale, that the court ensures that this case will be strictly heard under the rules as outlined within Magna Carta Common Law.

INDICTMENT

CONTINUED

Magna Carta must urgently be fully restored immediately in the UK this 2015 in line with the 800th Anniversary on the 15th of June 2015 as a matter of urgency. We The People exercise our unalienable rights and powers under Articles/ Clauses 61 and form our own Grand Juries as a group of 25 sovereigns, the highest authority of the Land. We will ensure to conduct our Indictments proceedings fairly and honourable in accordance with what is stipulated within the law.

COUNT 8

STATEMENT OF OFFENCES

34 We The People Of The United Kingdom have acutely suffered from gross maladministration at the corrupt hands of a rogue British Governments and a rogue Judiciary for far too long and refuse to tolerate it any longer. They have caused us to suffer decades of miscarriages of Justice, the absence of long over due public inquiries, the absence of arrests, and the absence of prosecutions. We have been subjected to acute harm, acute pain suffering, loss, injury, false prosecutions, false imprisonments, innocent scape goated victims has suffered to take the fall for wicked people and enough is enough. We want every one of the innocent people being held as prisoners to be immediately released and thoroughly compensated for all they have suffered. We no-longer have faith in any of our paid for intuitions given the scale of the crimes we can only render them all totally Null and Void.

COUNT 8

PARTICULARS OF OFFENCES

We will no-longer tolerate the unlawful implementation of legislation (forbidden under the laws of God) to remove our lawful investigations.

INDICTMENT
