Failure to do absolutely nothing as per the previous letter served on the 07th August 2018 will constitute a number of torts being committed by you Rosa Carol Marshall and I will personally sue you in an individual capacity because the foreclosure of the corrupt banking system in 2012 by OPPT and the Swissindo should have been introduced to the world when the banking licence expired in 2015 and was not renewed because Swissindo should have taken over.

The banks have the money I am claiming my prosperity payments 1-11 and should you not reply or look into this and reply in a lawful manner without any misleading made up nonsense that normally comes from lier's mouths. This will also apply to the ignorant bank manger who are keeping everyone in slavery under this pathetic unlawful criminal foreclosed banking system and you are trading illegally unlawfully and fraudulently. Have you any idea the seriousness of this issue and what the criminal banking system is doing?

You have 14 day to send my new ATM card and complete the prosperity payments 1-11 ignore it at your own accord and meet the consequences of your action you Rosa Carol Marshall do not get to hide behind the foreclosed ex-legal system of corruption which is why it is in your individual capacity and you take responsibility for your own actions.

This Swissindo applies to EVERYONE WORLDWIDE and what are you doing lying to my face with smiles like I am going to believe a word that come out of your mouth. You have and are being deceived by the people at the top, this will include the corrupt bank manager of the birstall branch and they will also be added to this commercial lien when I get their name.

I do not tolerate corruption lies tyranny slavery deception which the banking industry is causing failure on your part to do the very basic and do you duty as a decent honest man or woman will be seen as a deliberate attempt to keep me in slavery totally against my consent which was never given just taken from birth in the very beginning without my knowledge and most certainly my consent.

Keep every man woman and child in slavery is on you head Rosa Carol Marshall and you have been served and to continue I will serve you with a Misprision of Treason and I suggest you look at these words and what they mean.
