Under Common Law, all men and women are held accountable for their own behaviour, in their personal and private capacities. Which is above the statutory system you corporations are hiding behind. It is no longer acceptable for individuals to hide behind the statutory system, if they are

responsible for causing harm, loss or injury to others, they are guilty of crimes against the people.

For the avoidance of doubt, claimant intends to make a civil claim valued at present at One Million (1,000,000.00) in gold and silver and/or fiat currency at per value, per respondent named herein.

### The Commercial Lien Process.

A common Law Commercial Lien is a process that any man or woman can employ in order to obtain **Lawful** remedy from the actions of another man or woman who have - or have attempted to – **or have conspired to** – damage said man or woman in some way. Such wrongs are known as “torts” and are the subject of Tort Law. This includes “harassment” such as “threats with menaces” which is considered to be 'damages' and also 'defamation of character'. Which is also considered to 'damage a reputation'. The reason for this is simple: Since all are equal under the law, then each man or woman has a duty of care to each other man or woman, such as to make sure that – whatever action we take towards each other – we have the Common Law behind those actions, and thus can live together in peace. Abrogating said Duty of Care is a criminal act And constitutes a tort.

I believe that you have created a tort, or torts against me the living man.

### **The process comprises:**

1. The subject of the trespass, fraud, conspiracy to commit fraud, harassment (myself in this case), will write a Statement of Truth (Affidavit of Obligation commercial lien), **under the penalty of perjury**. This being the case, what I will write will be **“the truth, the whole truth, and nothing but the truth”**, and will thus be **based on first hand knowledge**.
2. You will be sent a copy of this Affidavit, comprising my allegations. You will have to rebut each point in order to ward off the possibility of a lien. you will be given 30 (thirty) days to do so, but i can assure you that you will not be able to rebut even one single point. You will need to rebut by means of a sworn Affidavit of your own, written under the same criteria, namely: **From first-hand knowledge, and under the penalty of perjury**.
3. Any points you manage to rebut will be removed from my allegations, and the remainder kept as my final Affidavit. The result will be Notarised/commissioner of oath (by a Notary Public) to become my Statement of Truth, which will not only become the truth, in law – but will also become a judgement, in law.
4. That being the case, no hearing will be required. **Because the judgement has already been made by the truth.** (That's Common Law)
5. I will then place a Public Advertisement, warning whomsoever may be concerned, that your creditworthiness is henceforth highly suspect. I will inform Credit Reference Agencies to this effect. I would then be **lawfully entitled to seize any of your property**, up to (and including) the value of the Lien.
6. This process will occur in a lawful manner, because you are given the chance to rebut in substance – and i will thus retain entirely with 'clean hands in equity.'
7. a. even if i have made an honest mistake, which you failed to rebut, my mistake becomes the

truth, in law. you will not be able to claim 'libel'. 'slander' or such like, because you were given thirty days to rebut the allegations, before public announcement.

b. By failure to rebut in substance you would have tacitly acquiesced to my Statements as Truths, in Law.

c. rebut in substance does not comprise simply dismissing my allegations. that is mere gainsaying (deny or contradict a fact or statement). "in substance" means "accompanying with hard proofs" (in this case, "to the contrary")

8. **Being Common Law construct, the only way this Lien can be removed is:**

a. By Full Payment ... in which case I will remove it

b. The verdict of a Jury of 12, deciding that the Lien should not have been imposed. But this will require YOU to take ME to a Court De Jure (Common Law Court) ...

whereupon I will be able to explain (to said jury) exactly how you took action which comprised the tort(s) against me without any lawful excuse whatsoever. do not, under any circumstances, assume that any judge can remove a lien. a judge cannot do that, and judges know that (because it is common law, not a statutory, process)

9. That to ensure payment is made, this lien (if remedy isn't used) is from the father to the seventh generation and payment is to be secured through the notary office, solicitors office, commissioner of oaths office named on the Lien.

I eagerly await your response and rebuttal with substance of all my claims under your full commercial liability sworn, witnessed to all the allegations/claims with substance stated herein.

**Leviticus 26 verse 23-24**

And if yea will not be reformed by me by these things but will walk contrary unto me then I will also walk contrary unto you and will punish you seven times for your sins.

Any and all consent you "believe" to have over myself the living breathing flesh and blood man is removed and null and void, in immediate effect and is irrevocable, this also applies to any contracts you "believe" to hold are all null and void unless they have my full witnessed consent.

- Find enclosed 2 unopened what looks like bills sent from a PO BOX address, that have already been paid as you respondents are fully aware of via the bills of exchange. A letter unopened addressed to the legal fiction name.
- A bill for the illegal fiction name fraud as per respondents agreement.
- Another bill as per the respondents agreement for responding to the illegal fiction name fraud and trying to continue to double/triple dipping namely being paid again and again when it has been discharged.
- Removal of your the respondents irrevocable implied rights of access.
