**Re: Account numbers: (new account number more fraud) 252288963, 25228896 and 09017913**

Dear Jane Toman in her private and unlimited capacity,

We thank Jane Toman for the letter dated 01 March 2019 which we received today 18 March 2019 and notice there is no date on the fraudulent no existent stamp used on the envelope and believe Jane Toman has made a mistake.

While the letter is addressed to MR STEVEN KIRK and the address is also in full capitalization of the letters which is a corporation and a corporations address not the living man and their non commercial private property which is now in a trust it is also written in American-sign-language which I do not understand it is GLOSSA, poisonous text and is unreadable and therefore it is not written in English for us to understand and it is also **CAPITIS DIMINUTIO MAXIMA** (meaning a maximum loss of status through the use of capitalization, e.g. JOHN DOE or DOE JOHN) – The highest or most comprehensive loss of status. This occurred when a man’s condition was changed from one of freedom to one of bondage, when he became a slave. It swept away with it all rights of citizenship and all family rights. This is incorrect I certainly am no ones slave do you understand jane toman. (highlighted for your convenience)

The letter also claims that “you” owes £1,371.16 and “you” must make payment. As we are not “you” we are returning this letter to Jane Toman so that she may forward this letter to “you” and any further letters can also be sent to “you”. (highlighted for your convenience)

**Notice subject access request: for the second time May 2018 was the first time.**

Please supply the information about me I am entitled to under the Data Protection Act 1998 relating to my unique and my parents unique council tax reference numbers are linked to HMRC Bank account and BONDS on the Treasury Direct Gov bonds market which are worth BILLIONS of dollars because they go way back to 01/1980 and there is one bond placed EVERY MONTH thereafter up-to the present day, over 4 decades, over 40 years of Bonds. Evidence enclosed.

- Why my unique council tax account numbers **252288963, 25228896 and 09017913** is being used as a bank account number and is corresponding with the HMRC sort code: 08-32-10
- Why the bank being used for these payments is the American held CITIBANK NA, a parent company of the Bloomberg Group.
- All digital or hard copy information held with my details i.e. Name, account numbers and any other relevant unique information relating to me personally.
- Why are the same numbers my unique council tax account numbers **252288963, 25228896 and 09017913** are being used as a bond per month on the Treasury Direct Gov website dating back to the start of the EE Bonds in 01/1980 and they are worth BILLIONS.
- Provide a lawful written contract agreed and signed for by both parties binding them into the contract. Or a lawful written agreement signed by both parties agreeing to fund and pay for wars, enslavement, genocide.

Find enclosed the offer of a contract for acceptance and after considering the kind offer it is not acceptable, I do not consent how many times do you need telling stupid? I do not understand how many times do you need telling stupid? And yes stupid and an imbecile is and applies to jane toman and the rest of the treasonous criminals that work for the foreclosed council. When jane toman and the rest of the lawfully sued criminals have paid her and their debts she and they have lawfully agreed to but all remains in dishonour hiding behind a foreclosed, corrupt, treasonous, high treasonous, governments legal system, jane toman and the rest of the criminals must be complete imbeciles to continue especially being served notice after notice after notice you are all pathetic.

A bill as per jane toman's own accord and an up to date statement that needs payment immediate to **avoid common law court proceeding** and if you jane toman think for one second I am bluffing continue this charade and I will start a common law court and all your criminals that work at the foreclosed council will be sent notices to attend to defend your fraudulent claims. This will be done in Leicester so there is absolutely no excuse whatsoever for all of the accused to turn up and defend just how exactly the council for decades have deceived the general public and have by force made sovereign men and women pay an unlawful by consent tax that only applies to corporations and the ALL CAPS is a corporation which jane toman has been told about many times and she just continues like a silly little child for an adult her behaviour is somewhat astounding.

How dare you ignore everything, how dare you continue to carry on like nothing has happen or been said, how dare you to continue to treat me as a slave, how dare you jane toman just ignore every question put forward, how dare you jane toman who do you jane toman think you jane toman are just so you jane toman know exactly who I am talking too, instead of your childish legal fiction I am talking and addressing you jane toman the woman in your person and private unlimited capacity.

**If you or any member of Blaby District council have put the legal fiction name on the voters register without my consent I will sue you jane toman. these forms were returned therefore there should be no mail from Blaby District council addressed to the legal fiction and any and all consent has been removed already especially when sharing any private and personal details.**

In sincerity and honour, without ill-will, prejudice, frivolity, or vexation with clean hands in equity.

Yours sincerely,

By reasonable Accommodation
